and quality.

Now and Then.

Before the election the cry was, snys an exchange, elect Buchanan and Kansas will come in as a slave State; the slave trade will be revived; the South will domineer over the North: slaveholders will rule the nation, and the last spark of freedom will be quenched and our republican government be turned into a despotism. And thousands were actually made to believe all this, and to Wisconsin look upon the Democratic party as a Massachusetts sort of a Car of Juggernaut whose wheels, New York, if not stopped, would crush out human- Michigan. was under Washington and Jefferson!"
